NOTICE TO MARINERS

During the scaffolding works, a pontoon and workboat will be on site; additional small craft may be in attendance. These works will involve lifting operations and personnel working on the waterline.

Once installed, the scaffolding is expected to remain in place on the jetty for up to 16 weeks. Scaffolding overhanging the river is required to be marked with yellow & black coloured tape and lit with white lights by night.

Any requirements to proceed with caution or at slow speed, will be made in accordance with the procedures set out in the Port of London Authority's [Port Information Guide](#), under 'London VTS', 'Section 4' with the International Code Flags 'Romeo Yankee' displayed, which are illustrated below.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
