NOTICE TO MARINERS

Blackwall Reach - Brunswick Wharf Exclusion Zone

This Notice supersedes and replaces M70-25, which is hereby cancelled.

Mariners are advised that a 60-meter exclusion zone is currently in effect adjacent to Brunswick Wharf in Blackwall Reach. This restriction is expected to remain in place for approximately three months.

The exclusion zone has been established due to structural issues in a shoreside building, which pose a potential risk to vessels navigating in the vicinity. The zone extends 60 meters from the river wall across the frontage of the affected building, as illustrated below:
